

Water Technology List

Defra hereby certifies that

TUFFA UK Ltd

Authorised user number 00985

has been authorised to use the WTL symbol to endorse their qualifying products that meet the water efficient criteria published on the Water Technology List (<http://www.eca-water.gov.uk>).

Name: Jackie Shenton

Date: 5th July

For and on behalf of Defra

This certificate is only valid together with the corresponding licence agreement, which is issued by Defra on an annual basis. Current approved manufacturers and energy saving technologies and products are listed at <http://www.eca-water.gov.uk>

The WTL symbol is a UK registered certification mark of Defra
